★ WHAT IS LIGA FUTSAL

Liga Futsal was established in 2024 through a strategic initiative by Intersports Management and Evo Futsal with the collaboration of Liga Nacional de Fútbol Sala (LNFS) in Spain.

This Junior Futsal League represents more than just a competition; it is a comprehensive initiative focused on nurturing and expanding the futsal ecosystem in Australia. We recognize the crucial need to provide diverse opportunities for young athletes to engage with, enhance their skills in, and develop a passion for the sport they love. With a commitment to addressing the existing gaps in junior Futsal competitions, Liga Futsal is laying the foundation for a prosperous future for enthusiastic Futsal participants across all age groups.

Our initiative is meticulously designed to confront the challenges that have previously hindered the expansion of Futsal in Australia. By providing year-round playing and competitive opportunities, we strive to sustain youth engagement and enthusiasm for Futsal, both on and off the court. Moreover, we offer essential support to academies and clubs, empowering them to maintain youth participation in Futsal training throughout the year.

At Liga Futsal, we believe that every child should have the opportunity to experience the joy and excitement of Futsal. We invite you to join us in this endeavour as we work together to cultivate a vibrant Futsal community and create abundant opportunities for young athletes to excel. Together, we have the potential to influence the future of Futsal in Australia and inspire the next generation of champions.

Join us today and understand the true essence of being a champion!
